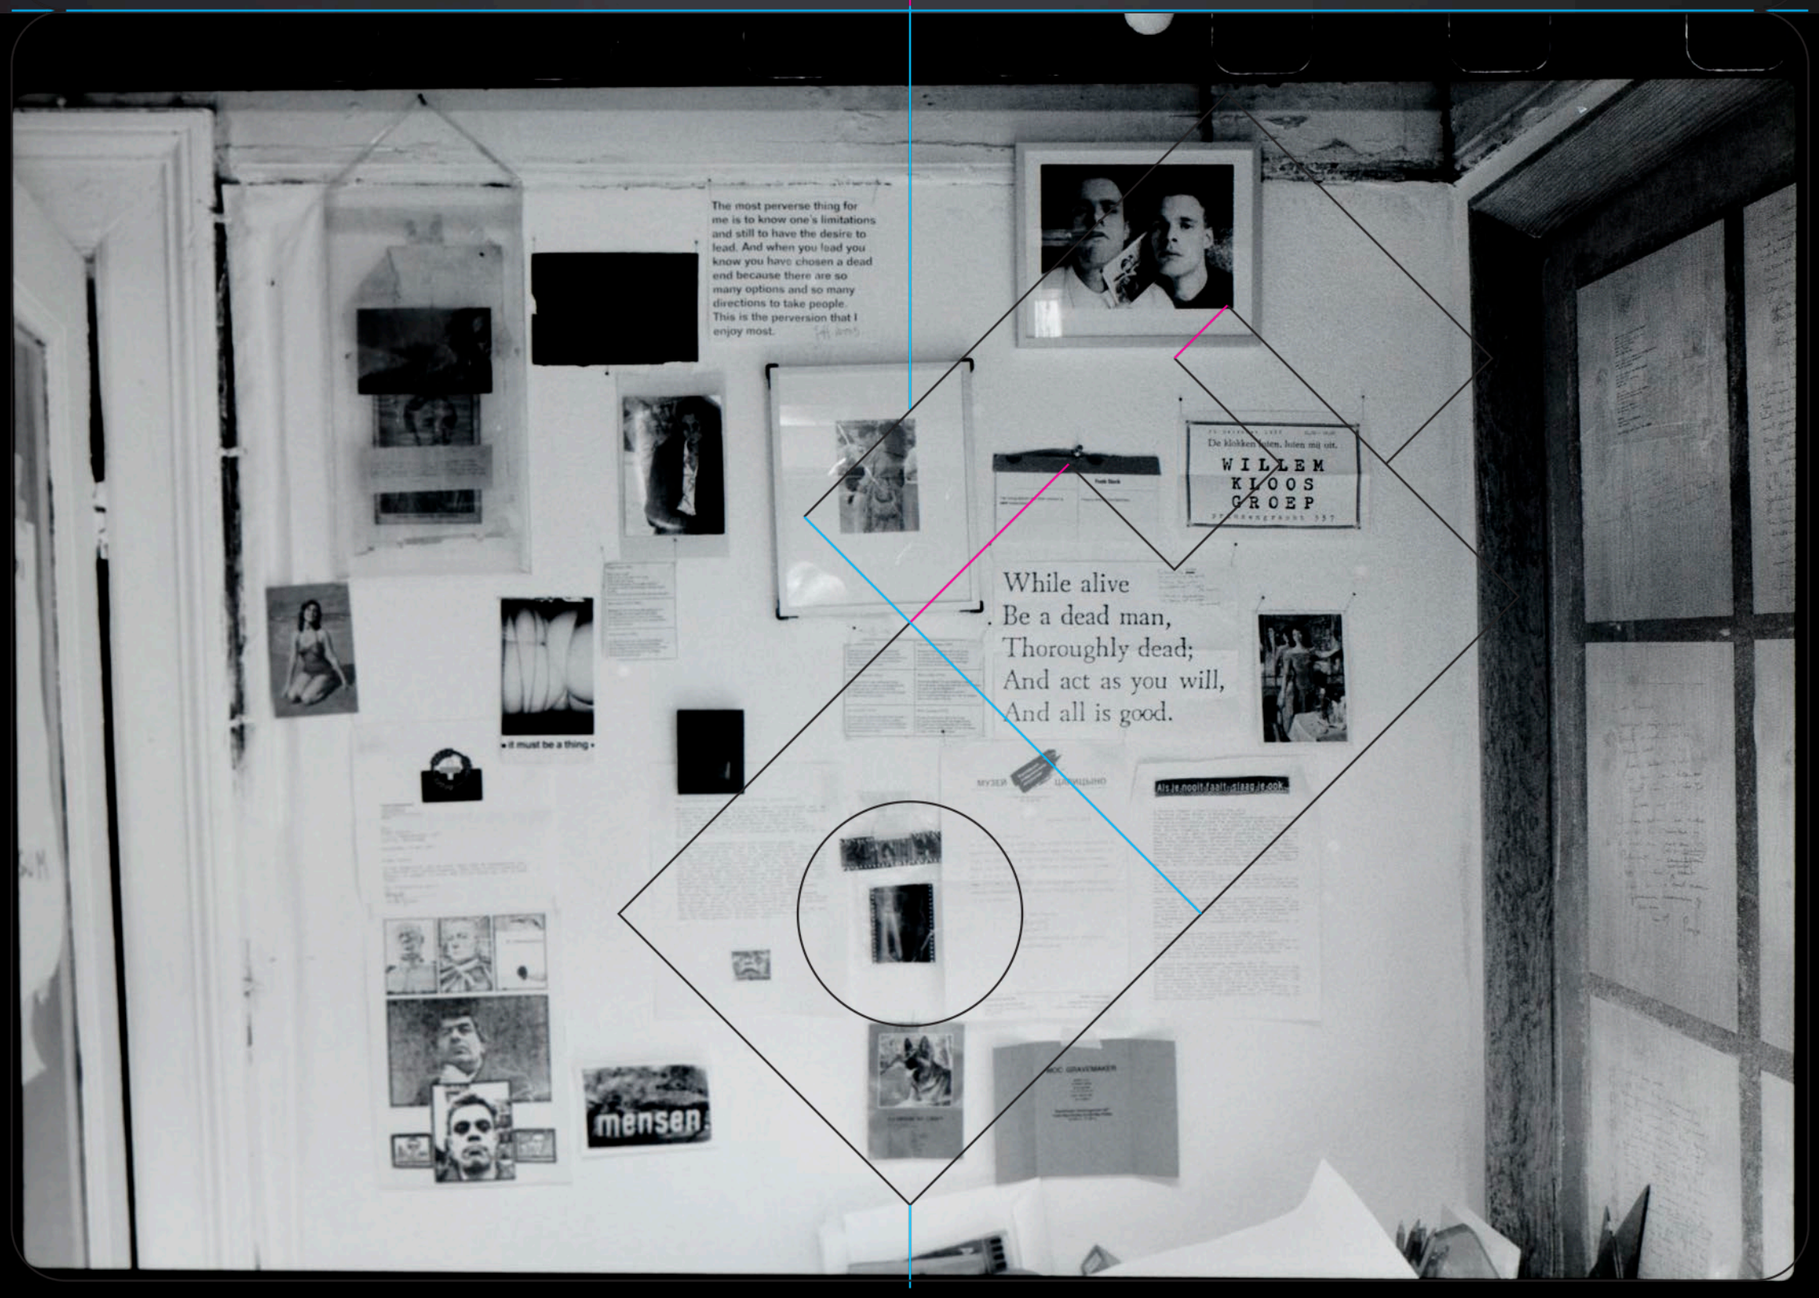
MIJN LEVEN
ALS MUSEUM



The most perverse thing for me is to know one's limitations and still to have the desire to lead. And when you lead you know you have chosen a dead end because there are so many options and so many directions to take people. This is the perversion that I enjoy most.
De klokken luiden, luiden mij uit.

While alive
Be a dead man,
Thoroughly dead;
And act as you will,
And all is good.
